

**SLOW DOWN OR STOP THE VEHICLE IN FRONT OF THE BARRIER**

**SLOW DOWN THE VEHICLE EVEN WHEN THE BARRIER IS OPEN**

**KEEP 2 m DISTANCE FROM THE VEHICLE IN FRONT OF YOU**

**WE INFORM PARKING USERS TO:**

- use the parking lot only through the official entrance of the parking lot by getting a parking ticket at the entrance.
- scan the paid parking ticket or parking service receipt when leaving the parking lot.
- slow down or stop the vehicle in front of the barrier when entering and exiting the parking lot so that the camera can properly read the vehicle's license plate (otherwise, entry or exit from the parking lot may be prevented).
- keep a distance (of at least 2 m) from the vehicle in front of you when entering and exiting the parking lot so that the camera can properly read the vehicle's license plate (otherwise, entry or exit from the parking lot may be prevented).
- follow the instructions even in cases where the parking barrier is in the open (raised) position so that the camera can properly read the vehicle's license plate both when entering and exiting the parking lot (otherwise, the NEXT entry or exit from the parking lot will be disabled).
- use parking lot according to horizontal and vertical traffic signs (otherwise, you are violating the parking conditions which is subject to parking penalty, and your NEXT entry or exit from the parking lot will be disabled).
- do not park your vehicle in a way that obstructs the entry/exit of other vehicles, pedestrians and cyclists from the parking lot, or interferes driveways, pedestrian and bicycle passages (otherwise, you are violating the parking conditions which is subject to parking penalty, and your NEXT entry or exit from the parking lot will be disabled).
- do not park vehicles in the parking lots reserved for users of the European Parking Card for people with disabilities (otherwise, you are violating the parking conditions which is subject to parking penalty, and your NEXT entry or exit from the parking lot will be disabled).
